

Can I Change a Flight Booked Through My Chase Points on Iberia Airline?

If you booked your ticket using points via **Chase Travel** for a flight with **Iberia**, you might be wondering: *Can I still make changes?*

The answer is **yes—but with some conditions**.

Travel plans can change unexpectedly, and knowing how to modify your booking **quickly and without stress** is essential. For the fastest solution, you can **call +1-888-483-9719** and speak directly with a live agent who can handle your request right away.

Can You Change a Flight Booked with Chase Points?

Yes, you can **change a flight booked through Chase points**, but here's the key:

 Your booking is managed by **Chase Travel**, not directly by Iberia.

That means:

- All modifications must go through Chase Travel
- Iberia's fare rules still apply
- Changes depend on ticket type and availability

 **Call +1-888-483-9719** to confirm your options instantly.

Iberia Change Policy for Award Tickets

When using points, rules can be slightly different:

Key Guidelines

- Changes depend on fare class and reward type
 - Some award tickets are flexible, others are restricted
 - You may need to pay taxes or fare differences
-

Same-Day Changes

- Possible in some cases
- Subject to seat availability
- May require additional fees or points

 Not sure about your ticket? Call **+1-888-483-9719** for quick clarification.

Are There Fees for Changing a Points Booking?

Yes, there can be costs involved:

- Change fees (depending on fare rules)

- Difference in points or cash if the new flight is more expensive
- Taxes and surcharges

 **Example:**

- New flight costs more → Pay extra points or cash
 - New flight costs less → You may get points refunded (based on policy)
-

 **Tips to Minimize Costs**

- Make changes early
- Choose flexible reward options
